CONTENTS OF VOLUME VI

Number 1

		Page
Adrenal-sympathetic Syndrome	By Ronald Mackeith	1
Reciprocal Beating Initiated by Ventricular Premature Systoles	By R. Langendorf, L. N. Katz, and A. J. Simon	13
Heart Failure in the Aged	By Trevor H. Howell	20
A Case of Myxoma of the Left Auricle	By R. B. Thompson	23
Circulatory Failure due to Vitamin B Deficiency	By A. Schott	27
Cardiac output in Man by a direct Fick Method	By John McMichael and E. P. Sharpey-Schafer	33
The Heart in Myotonia Atrophica	By William Evans	41
Synchronous Heart Sound Recordings	By G. D. Dawson and A. Morgan Jones	48

Number 2

Paroxysmal Heart Block and Ventricular Standstill	By J. S. Lawrence and G. W. Forbes	53
Heart Block with Aneurysm of the Aortic Sinus	By Paul F. Duras	61
Stokes-Adams Attacks in a Child	By V. S. Stern	66
Complete Heart Block	By Maurice Campbell	69
A Rare Case of Complete Heart Block	By Kemal Saracoglu	93
Frederick John Poynton		96
The Care of Rheumatic Children.—Report		99
Social and Economic Conditions and the Incidence of Rheumatic Heart Disease	By G. H. Daniel	103
Unusual Electrocardiogram in Dextrocardia	By J. M. Holford	105
Auriculo-Ventricular Rhythm	By R. A. Miller	107

CONTENTS OF VOLUME VI (*continued*)

Number 3

		Page
Myocardial Infarction	By T. E. Lowe and W. B. Wartman	115
Acute Left Auricular Failure	By Crighton Bramwell and A. Morgan Jones	129
Cardiac Involvement in Spirochætal Jaundice	By William E. Hume and P. Szekely	135
ncomplete Bundle Branch Block	By C. W. Curtis Bain	139
The Place of Foliandrin within the Group of Cardiac Glucosides	By L. E. Schindel and K. Braun	149
Temporal Arteritis	By James W. Brown and Frank Hampson	154
Nicotinic acid in the Treatment of Angina Pectoris	By Wilfred Stokes	157
Pulmonary Embolism: The Clinical and Cardiographic Progress of a Case	By David Lewes	161

Number 4

Congenital Pericardial Defects	By Sydney Sunderland and R. J. Wright-Smith	167
Casual and Basal Blood Pressures. IV.—Their Relationship to the Supplemental Pressure with a Note on Statistical Implications	By F. H. Smirk	176
Myocardial Infarction	By T. E. Lowe and W. B. Wartman	183
A Case of Tuberculous Pericarditis	By A. M. Barrett and Leslie Cole	185
Perforation of the Interventricular Septum due to Cardiac Infarction	By Anne M. Wood	191
Cardio-Aortic Fistula	By Alastair Macleod	194
Mercurial Diuretics: The Addition of Magnesium Sulphate to prevent the Toxic Effects of their Intravenous Administration	By Ignacy Pines, Antonio Sanabria, and R. T. Hernandez Arriens	197
Clinical Evaluation of the Pressor Activity of Methedrine, Neosynephrine, Paredrine, and Pholedrine	By Frederick Prescott	214
The Unity of Paroxysmal Tachycardia and Auricular Flutter	By William Evans	221
Chest Leads for the Demonstration of Auricular Activity	By P. Szekely	238
Proceedings of the Cardiac Society of Great Britain and Ireland		247
Index		251
